You can download free MIDI files for the music from websites such as: www.learnchoralmusic.co.uk; www.cyberbass.com

Practising just your own part beforehand is then possible. Speed may also be varied, especially on ‘cyberbass’. Vocal scores may be borrowed from your County Library store; bought from your local music shop; lent to you by the host choir in advance (deposit may be needed); bought online from www.choraline.com (a CD with your part may also be bought from them)

For more general information: go to a choir’s website; visit www.choirs.org.uk; search the internet for ‘Come and Sing Days’

HOPE YOU FIND THIS USEFUL FOR YOUR NEXT COME AND SING DAY! SEE YOU THERE! Compiled by Phil (tenor): harrisonsm_uk@yahoo.co.uk
